We did get to attend. (Farm N Bluegrass) What a fun community! We talked to several of the folks with Tractors/Cars and some of the locals who were working. We got some good bargains at the yard sale and bought some syrup! We also bought a couple of raffle tickets... maybe we'll get lucky. We had a fun day. Thanks for leaving us on your list. Jeri

I went to the farm day ya'll had today, with my grand parents Betty and Bobby Culver. I asked how ya'll got the things to sale in the school Betty told me people give it to ya'll so ya'll can make money for the school. So a little about me I lived around here my whole life but in the past year I have started to collect old glass bottles from Alabama. like Coca-Cola, Steve's Own, Dark's Dairy, I don't have most of these yet but looking, as I was saying I Buy, Sell, Trade, Hunt for Bottles, sometimes I have to buy a lot to get the one bottle I want or find a lot in old home places so I can sell or trade to get the bottles I want., I sell a lot but I can't sell them has fast has I find them. I told Betty that I didn't see many in the old school and to help me get rid of some of these bottles let the school have some to sell. I have already started a box if you would like them. I will drop them off. Just thought I would try to help.
